

# Kandla Port Trust

## QHSE POLICY

We At Kandla Port Trust are committed to providing maritime services timely, of best Quality with cost effectiveness & matching the expectation Of customers with professionalism with commitment to managing environmental matters as an integral part of our business. In particular, it is our policy to assure the environmental integrity of our processes and facilities at all times and at all places. We will do so by adhering to the following principles:

### Compliance

Comply with applicable laws and regulations and will implement programs and procedures to assure compliance. Compliance with environmental standards will be a key ingredient in the training, performance reviews and motivation of all employees.

### Risk Reduction, Prevention and Resource Management

Seek opportunities, beyond compliance requirements, for reducing risk to the environment, establish and meet our own quality standards where appropriate. employ management systems and procedures specifically designed to prevent activities and/or conditions that pose a threat to the environment. look for ways to minimize risk and protect our employees and the communities in which we operate by employing clean technology, including safe technologies and operating procedures, as well as being prepared for emergencies.

Strive to minimize releases to the air, land or water through use of cleaner technologies and the safer Handling. Minimize the amount and toxicity of waste generated and will ensure the safe treatment and disposal of waste. Manage scarce resources such as water, energy, land and forests in an environmentally sensitive manner.

### Communication

Communicate our commitment to our employees, vendors and customers. Solicit their input in meeting our EMS goals.

### Continuously Improvement

Continuously measure our progress. We will review our progress at least on an annual basis. Continuously seek opportunities to improve our adherence to these principles and will periodically report progress to our stakeholders. Comply the requirements of International Standards for continual improvement.
