Gujarat-State.

- (b) bear the following identification:

Accompaniments for “CSR activities for development of community assembly hall for Maheshwari community at Adipur and CSR works for Construction of Dome shape shed at Rampar Village Prathmik Shala at Rampar, Taluka: Anjar.”

Bid reference No. 06 - C/2024

Name and address of the bidder.

18. Deadline of Submission of the Bids

Bids must be received by the Employer in On-Line System at website <https://tender.nprocure.com> not later than 16:00 hrs. on 21/08/2024 in the event of the specified date for the submission of bids being declared a holiday by the Employer, the Bids will be received up to the appointed time on the next working day.

The Employer may extend the deadline for submission of bids by issuing an amendment, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

At the time of submission of the tender document, the tenderer shall give an undertaking that no changes have been made in document. The uploaded version of the Port Tender Document will be treated as authentic tender and if any discrepancy is noticed at any stage between the Port's tender document and the one submitted by the tenderer, the conditions mentioned in the Port's uploaded document shall prevail. Besides, the tenderer shall be liable for legal action for the lapses.

19. Late Bids

After the deadline prescribed in Clause 18 the bids can not be submitted in the On-Line System.

20. Modification and Withdrawal of Bids

Bidders may modify or withdraw their bids before the deadline on the website as prescribed in Clause 18. No Bid can be modified after the deadline for submission of Bids.

Withdrawal or modification of a Bid between the deadline for submission of bids and the expiration of the original period of bid validity in Clause 13.1 above or as extended pursuant to Clause 13.2 may result in the forfeiture of the Bid security pursuant of Clause 14.

E. BID OPENING AND EVALUATION

21. Bid Opening

On the due date and appointed time, the Employer will first open Technical bids of all bids received including modifications made pursuant to Clause 20. In the event of the specified date for Bid opening being declared a holiday by the Employer, the Bids will be opened at the appointed time on the next working day.

If any Bid contains any deviation from the Bids documents and / or if the same does not contain Bid security & Tender Fee in the manner prescribed in the Bid documents, then that Bid will be rejected and the Bidder will be informed accordingly. All valid Financial Bids, whose technical bids have been determined to be substantially responsive in accordance with Clause 23 hereof, shall be opened on the specified date from declaring the results of the Technical Bid.

22. Clarification of Bids

22.1 To assist in the examination and comparison of Bids, the Employer may, at his discretion, ask any Bidder for clarification of his Bid, including breakdown of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price of substance of the Bid shall be sought, offered, or permitted.

22.2 Subject to Sub-Clause 22.1, no Bidder shall contact the Employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, he should send the same through on line system only.

22.3 Any effort by the Bidder to influence the Employer's bid evaluation, bid comparison or contract award decisions, may result in the rejection of his bid.

23. Examination of Bids and Determination of Responsiveness

Prior to detailed evaluation of Bids, the Employer will determine whether each Bid :- (a) has been properly digitally signed, (b) meets the eligibility criteria defined in Clause 4, (c) is accompanied by the required Bid security, and; (d) is responsive to the requirements of the Bidding documents.

A substantially responsive Technical and Financial Bid is one which conforms to all the terms, conditions and specification of the Bidding documents, without material deviation or reservation. A material deviation or reservation is one : (a) which effects in any substantial way the scope, quality or performance of the works; (b) which limits in any substantial way, the Employer's rights or the Bidder's obligations under the contract; or (c) whose rectification would affect unfairly the competitive position of other Bidders presenting responsive Bids.

If a Technical Bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-confirming deviation or reservation.

24. Evaluation and Comparison of Bids

The Employer will evaluate and compare only the Bids determined to be responsive in accordance with Clause 23.

In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid price by adjusting discounts or other price modification offered in accordance with Sub Clause 20.

If the Bid of the successful Bidder is seriously unbalanced in relation to the Nodal Officer or his nominee's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the implementation/construction methods and schedule proposed.

F. AWARD OF CONTRACT

25. Award Criteria

The Employer will award the contract to the bidder whose Bid has been determined to be responsive to the bidding documents and who has offered the lowest evaluated Bid Price, provided that such Bidder has been determined to be (a) eligible in accordance with the provisions of Clause 3 and (b) qualified in accordance with the provisions of Clause 4. The second bidder (i.e. L2) shall be kept in reserve and may be invited to match the bid submitted by the (L 1) bidder in case such bidder withdraws or is not selected for any reason.

26. Employer's Right to accept any Bid and to reject any or all.

Notwithstanding Clause 25, the Employer reserve the right to accept or reject any bid and to cancel the bidding process and reject all bids, at any time prior to the award of contract, without thereby incurring and liability to the affected bidder or bidders of the grounds for Employer's action.

27. Notification of Award and Signing of Agreement.

The Bidder, whose bid has been accepted, will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the ("Letter of Acceptance")) will state the sum that the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

The notification of award will constitute the formation of the contract subject to the furnishing of a Performance Security in accordance with the provisions of Clause 28.

The Agreement will incorporate all correspondence between the Employer and the successful bidder. It will be signed by the employer and sent to the successful Bidder within 14 days following the notification of award along with the Pre-acceptance Letter. Within 21 days of receipt of L.O.A., the successful Bidder will furnish the Performance Security and sign the Agreement with the Employer.

Upon the furnishing by the successful Bidder of the Performance Security, the Employer will promptly notify the other Bidder that his bid has been unsuccessful and release the Bid security (EMD).

28. Performance Security / Security Deposit

Security Deposit shall consist of two parts; a) Performance Guarantee to be submitted at award of work, and b) Retention money to be recovered from Running Bills.

Security Deposit shall be 10% of Contract price of which 5% of contract price should be submitted as Bank Guarantee/ FDR/ Digital mode of payment within 21 days of receipt of Letter of Acceptance and balance 5% recovered as Retention Money from Running Bills. Recovery of 5% of Retention Money to commence from the first bill onwards @ 5% of bill value from each bill. Retention Money be refunded within 14 days from the date of payment of final bill. Balance SD to be refunded immediately not later than 14 days from completion of defect liability period.

Failure of the successful bidder to comply with the requirements as mentioned above shall constitute sufficient grounds for cancellation of the award of work and the Bidder can be disqualified from bidding for any contract with DPA for a period of three years from the date of notification.

The documentary evidence (copy of paid challan in government treasury) of the welfare cess @1% of the work done or as mandated by security authority from time to time, paid on final bill shall be submitted before releasing the performance guarantee if applicable.

29. Corrupt or Fraudulent Practices

29.1 The Employer requires that Bidders/Suppliers/Contractors under this contract, observe the highest standard of ethics during the procurement and execution of this contract. In pursuance of this policy, the Employer:

- (a) Defines, for the purpose of these provisions, the terms set forth below as follows:
 - (i) “Corrupt practice” means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Employer, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.
- (b) Will reject a proposal for award of work, if he determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
- (c) Will declare a Bidder ineligible, either indefinitely for a stated period of time, to be awarded a contract/contracts, if he at any time determines that the Bidder has engaged in corrupt or fraudulent practices in competing for or in executing, the contract.
- (d) Submission of fraudulent documents shall be treated as major violation of the tender procedure and in such cases the Port shall resort to forfeiture of EMD/SD/BG of the bidder, apart from blacklisting the firm for the next 3 years.

30. Royalty of metals

- (a) All royalties of Metals, quarry fees etc. payable by the contractor directly to the authorities concerned and rates tendered shall be deemed to be inclusive of all charges Before calming refund of security deposit the contractor shall produce “NO dues certificate” from Geologist, Bhuj.

Name and address of the bidder.

6. **DEADLINE OF SUBMISSION OF THE BIDS**

- (a) Bids must be received by the Employer in On-Line System at website <https://tender.nprocure.com> not later than 16:00 hrs. on __/__/2024 in the event of the specified date for the submission of bids being declared a holiday by the Employer, the Bids will be received up to the appointed time on the next working day.
- (b) The Employer may extend the deadline for submission of bids by issuing an amendment, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.
- (c) At the time of submission of the tender document, the tenderer shall give an undertaking that no changes have been made in document. The uploaded version of the Port Tender Document will be treated as authentic tender and if any discrepancy is noticed at any stage between the Port's tender document and the one submitted by the tenderer, the conditions mentioned in the Port's uploaded document shall prevail. Besides, the tenderer shall be liable for legal action for the lapses.

7. **BILLS TO BE SUBMITTED MONTHLY**

A Bill shall be submitted by the contractor each month on or before the date fixed by the Engineer-in-charge for all works executed in the previous month, and the Engineer-in-charge shall take or cause to taken the requisite measurement for the purpose of having the same verified, and the claim, as far as admissible, adjusted as far as possible, before the expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge may depute within seven days of the date fixed as aforesaid, subroutine to measure up the said work in the presence of the contractor whose counter signature to the measurement list will be sufficient warrant, and the Engineer-in-charge may prepare a bill from such list.

8. Contractor to be given a week to file objections to the measurements recorded by the Department.

Before taking measurement of any work as has referred to in Clause 6,7, and 8 hereof, the Engineer-in-charge or a subordinate deputed by him shall give reasonable notice to the contractor if the contractor fails to attend at the measurements after such notice of fails to countersign or to record the difference within a week from the date of measurement in the manner required by the Engineer-in-charge then in any such event the measurement taken by the

Engineer-in-charge or by the subordinate deputed by him as the case may be shall final and binding on the contractor and the contractor shall have no right to dispute the same.

9. **BILLS TO BE ON PRINTED FORMS**

The contractor shall submit all bill on the printed forms to be had on application at the office of the Engineer-in-charge and the charges in the bills shall always be entered at the rates specified in the tender or in the case of any extra work ordered in purpose of these conditions and not mentioned or provided for in the tender at the rates hereinafter provided for such work.

10. **PAYMENT OF CONTRACTOR'S BILL TO BANK**

The DEENDAYAL PORT AUTHORITY has introduced electronic clearing system. The tenderer are required to furnish necessary details of Bank Account etc. as per Annexure enclosed.

11. Prospective Bidder may raise query relating to bidding conditions, bidding process and / or rejection of bid etc. The reasons for rejecting a tender or non-issuing a tender to perspective bidder will be disclosed where written enquiries are made by the concerned bidder.

12. **INFORMATION AND INSTRUCTIONS FOR CONTRACTORS FOR e-TENDERING FORMING PART OF NIT AND TO BE POSTED ON WEBSITE.**

- a. Information and instructions for Contractors will form part of NIT and to be uploaded on website.
- b. The intending bidder must have class-III digital signature to submit the bid.
- c. The Bid Document as uploaded can be viewed and downloaded free of cost by anyone including intending bidder. But the bid can only be submitted after uploading the mandatory scanned documents such as **Tender Fee, and EMD UTI Number in Preliminary Bid shall not be considered responsive, and their technical and price bid will not be opened.**
- d. Bidders may modify or withdraw their bids before last date and time of submission of bid as notified.
- e. While submitting the modified bid, contractor can revise the rate of one or more item(s) any number of times (he need not re-enter rate of all the items) but before last time and date of submission of bid as notified.
- f. On opening date, the contractor can login and see the bid opening process. After opening of bids he will receive the competitor bid sheets.
- g. Contractor can upload documents in the form of JPG format and PDF format.
- h. It is mandatory to upload scanned copies of all the documents including GST registration as stipulated in the bid document. If such document is not uploaded his bid will become invalid and cost of bid document shall not be refunded.
- i. If the contractor is found ineligible after opening of bids, his bid shall become invalid and cost of bid document shall not be refunded.
- j. If any discrepancy is noticed between the documents as uploaded at the time of submission of bid and hard copies as submitted physically by the contractor the bid shall become invalid and cost of bid document shall not be refunded.
- k. Certificate of Financial Turn Over: At the time of submission of bid contractor may upload Affidavit/ Certificate from CA mentioning Financial Turnover of last 3 (three) years or for the period as specified in the bid document and further details if required may be asked from the contractor after opening of technical bids. There is no need to upload entire voluminous balance sheet.
- l. The Draft information and instructions to Contractors may be modified suitably by NIT approving authority as per requirement.
- m. All the mandatory document required/prescribed for pre-qualification have to be enclosed by the bidder failing which his offer shall be rejected and treated as non- responsive.

However, additional documents required if any for verification of the original documents shall be submitted by the bidder if required by DPA.

13. **Deleted**

14. **Deviation in quantities**

Normally deviation means deviation in quantities of agreement items, i.e. where there is increase or decrease in the quantities of items of work specified in the agreement.

Rates for such deviated items shall be calculated strictly as per the provision of agreement clauses.

15. **Deriving the Market rates:**

As per provisions of variation clauses sometimes rates are to be determined based on market rates in certain conditions. In such cases the contractor within 14 days of receipt of order for execution of deviated quantities, extra or substituted items beyond permissible limits and before the commencement of such work shall give notice, for revision of rates, supported by proper analysis, for such quantities. Engineer-in-Charge shall consider the analysis submitted by contractor and determine the rates on basis of market rates.

Further in case market rates are less than the agreement rates then in such a case Engineer-in-Charge should give notice to the contractor within one month of occurrence of the excess and should decide the rates based on market rates considering the reply of contractor.

The analysis of rates on market rates should be on similar lines as adopted in the justification of tender except that market rates of material/labour, hire charges of plant and machinery intended to be used prevailing at the time of such order or occurrence shall be adopted. Over and above the market rates so arrived 10% would be added for overheads and profit of the contractor.

16. **Payment of Final Bill**

Final bill of all works shall be paid as per DPA's citizens' charter. In case contractor fails to submit the final bill within 2 months of completion of work, the process of final bill should be initiated by the Engineer-In-Charge suo-moto to thwart the efforts of contractor to delay the preparation of final bill which in all probability may be in the minus. Similarly E-I-C should not delay recoveries for any overpayments detected/ the recoveries being disputed by the contractor on the plea that contractor has gone to Arbitration.

17. **GST Clause**

The contractor shall quote the price exclusive of GST. The contractor shall quote prevailing GST rate separately, which shall be reimbursed by DPA after ascertaining necessary compliance as per Goods & Service Tax Act, 2017. The contractor should have valid GST registration No., to become eligible for participating in the bid. The TDS on GST as per the applicability will be deducted.

All other duties, taxes, cesses applicable if any, shall be borne by the contractor.

Contractor/service provider/supplier etc. has to ensure timely and proper filling of GSTR1 so that Deendayal Port Authority can avail in put tax credit in timely manner. Incase DPA not allowed input tax credit due to failure on part of the Contractor/service provider/supplier etc. it will be a financial loss to the DPA and therefore same shall be recovered from the payment/deposit of the Contractor/service provider/supplier.

18. The contractor shall have to obtain quarry permits from the office of the Geologist, Department of Geology and Mines, Bhuj-Kutch before quarrying any secondary materials like Quarry spall, crushed metal, sand, earth, murrum, rubble etc.

19. **FAIR WAGE CLAUSE AND CONTRACTOR'S LABOUR REGULATIONS.**

Provision of Act.

- (1) The Contract Labour (Regulation and Abolition) Act, 1970 applies to every establishment in which 20 or more workers are employed or were employed on any day of the preceding 24 months as contract labour, and to every contractor who employs or who employed on any day of the preceding 24 months; 20 or more workmen. The Act also provides for registration of establishment and Licensing of Contractors. Accordingly, every principal employer is to make an application to the Registering Officer for registration of the establishment.
- (2) It has been clarified by the Ministry of Labour that the 20 contract labourers can be through one or more contractors, and it does not matter that a single contractor may not be employing 20 or more contract workers. It is sufficient that a total of 20 contract workers (through contractors) are working in an establishment of Principal Employer.
- (3) If a contractor employs 20 or more workmen on any day in the preceding year, the contractor is legally bound to take license from the Licensing Officer i.e., Assistant Labour Commissioner.
- (4) Normally XEN of each division is declared as "Principal Employer" under Section 2(i)(g) of the Act.
- (5) The fees to be paid for the grant of Certificate of Registration shall be as prescribed under the Act.
- (6) In pursuance of Section 12 of the Act, no contractor to whom the said Act applies, shall undertake or execute any work through contract labour except under and in accordance with a license issued in that behalf by the Licensing Officer.

20. **Fair Wages**

- (1) The term "Fair Wages" means wages fixed and notified under the provisions of the Minimum Wages Act, 1948 from time to time. The fair wages clause is applicable only to those employees whose wages do not exceed the limit prescribed in the Act.
- (2) It should be the duty of the Labour Officer or any other authorised to act as Labour Officer to make enquiries about non-payment of wages for preventing wages' claims of contractors' labour failing in arrears. For this 32 purpose, it is essential that Labour Officer should make frequent site inspections, as this is the only way of contacting Labour in the field and thus preventing wages falling in arrears. Any case of accumulation of arrears should be specifically brought to the notice of the XEN/SE/Dy. CE.
- (3) The responsibility for identification of labour rests with the Labour Officer. He will, however, be afforded all assistance by the Junior Engineers.

21. **Special conditions for environmental protection**

- (i) The Contractor shall strictly follow-up the Environmental rules as per the Environmental protection Act 1986. While execution of work and as directed by Engineer in Charge.

- (ii) All the Construction materials eg. Cement, Aggregates, sand & fill materials which are to be used in construction work shall be covered with Tarpaulin or other fabric material as directed by Engineer In Charge.
- (iii) The contractor should stacked and dispose the waste material in such a manner which are not destroy the environment.
- (iv) The contractor shall sprinkles the water to minimise the dust emission.
- (v) Machine mixers, vibrators, way batchers plant, diesel generator sets and other vehicles engines shall not be left running when not in use.
- (vi) Emission of NO₂ and SO₂ shall be maintained within the work site area as per the International Regulations (MARPOL).
- (vii) To prevent the minimise vibration and noise from machineries / vehicles during construction activities the contractor shall take the remedial action to minimise noise pollution as under:-
 - a. Provide adequate silencers attached with all vehicles and machineries.
 - b. Install suitable mufflers on engine exhaust and compressor component.
 - c. The diesel generators set shall be used of noise less.
- (viii) The contractor (s) shall stacked/stored the construction materials at adequate distance from coastal area.
- (ix) The contractor shall provide the barrier to prevent the construction material from mixing up with surface / ground water.
- (x) The contractor (s) should discharge Waste water generated during Construction work as per CPCB/GPCB regulations.

22. **Liquidated Damage (L.D.): -**

(A) In case of delay in completion of the contract, liquidated damages (L.D) may be levied at the rate of ½ %of the contract value per week of delay or part thereof, subject to a maximum of 10 percent of the contract price.

(i) The owner if satisfied, that the works can be completed by the contractor within a reasonable time after the specified time for completion, may allow further extension of time at its discretion with or without the levy of L.D. In the event of extension of time at its discretion with L.D, the owner will be entitled without prejudice to any other right or remedy available in that behalf per cent (1/2%) of the contract value of the works for each week or part of the week subject to the ceiling defined in sub-clause 22.A.

(ii) The owner, if not satisfied that the works can be completed by the contractor, and in the event of failure on the part of the contractor to complete work within further extension of time allowed as aforesaid, shall be entitled, without prejudice to any other right, or remedy available in that behalf, to rescind the contract.

(iii) The owner, if not satisfied with the progress of the contract and in the event of failure of the contractor to recoup the delays in the mutually agreed time frame, shall be entitled to terminate the contract.

(iv) In the event of such termination of the contract as described in clauses 22A(ii) or 22A(iii) or both the owner shall be entitled to recover L.D. up to ten per cent (10%) of the contract value and forfeit the security deposit made by the contractor besides getting the work completed by other means at the risk and cost of the contractor. (v) The ceiling of LD shall be 10% of the cost of work.

(vi) In case part / portions of the work can be commissioned and port operates the portion for commercial purpose, the rate of LD will be restricted to the uncompleted value of work, the

maximum LD being on the entire contract value. Note: Contract price for LD shall be inclusive of tender price plus taxes and duties.

23. Cement, reinforcement steel etc. shall of standard make / IS mark as per latest relevant IS and shall be got tested from government approved laboratory before put in to use.
24. For verification of purchase of cement and reinforcement steel all the bills of supplier / Dealer will have to be furnished to the Engineer-in-charge.
25. Every delivery of the cement and reinforcement bar shall be accompanied by manufacture's test certificate confirming that the supplied confirms to relevant specification.
26. The work shall be done strictly in accordance with specifications laid down in Indian Standard Code of Practice for different building trades of latest edition, in addition to the specifications given in Schedule B, approved plans and instructions issued by Engineer-in-charge from time to time.
27. Contractor has to comply with all the motor vehicle rules and regulations etc. as per government rules and Deendayal Port Authority will not be responsible for any violation of rules for use of vehicle (Tractor / Truck / JCB) for the work.
28. Contractor has to arrange his own means of transportation for the work.
29. The Engineer-in-charge will be entitled to deduct or adjust any sum of money payable by the Contractor to the board under the terms of any contract executed by him or on his behalf from the security deposit of from any sums that become due from the present contract.
30. The Contractor has to submit the bill along with documentary proof for payments made to the labourers through the bank.
31. Removal of rejected/sub-standard materials Whenever any material brought by the contractor to the site of work is rejected, entry thereof should invariably be made in the Site Order Book under the signature of the Engineer In Charge, giving the approximate quantity of such materials.
32. As soon as the material is removed, a certificate to that effect shall be recorded by the JE/AE against the original entry, giving the date of removal and mode of removal, including the registration number of the truck and a copy of gate pass wherever applicable.
33. The tenderer shall examine carefully the conditions of contract, specifications and drawings before submitting the tender. He shall also visit and inspect the site of work and acquaint himself with all local conditions of work, availability of construction materials and labour, nature of soil and working conditions at and are used at site before submitting the tender. No dispute/claim whatsoever shall be entertained for work of any nature arising out of local condition.
34. The contractor shall maintain a site order book at the site of work and all orders, instructions issued to him from time to time by Engineer in charge or his sub-ordinates will be recorded in the site order book. The contractor shall promptly sign each entry in token of having received such orders and instructions and shall be complied with the requirements promptly. The site order book shall be the property of the department and shall be handed over to the Engineer-in-charge in good condition on the completion of the work or whenever demanded by the Engineer-in-charge.
35. The value of non-judicial stamps to be affixed on agreement shall be of appropriate value prescribed for bond as per latest provision of law in force on the date of execution, however, if the contractor furnishes GPF notes, approved guarantee in respect of or part of security deposit, the stamp duty chargeable for the amount shall be as prescribed for agreement payable in accordance with the latest provisions of law in force on the date of execution of the contract. All the cost of stamp duty shall be borne by the contractor.

36. **Arbitration Clause**

(I) Except where otherwise provided in the contract all questions and disputes relating to the meaning of the specifications, designs, drawings and instructions here in before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or any other thing what so ever, in any way arising out of or relating to the contract, design, drawings, specifications, estimates, instructions, orders or to the conditions or otherwise concerning the works or regarding the execution or failure to execute the same whether arising during the progress of work or after the completion thereof as described here in after shall be referred to the Chairman for sole arbitration by himself or by any officer appointed by him.

(ii) It will be no objection to any such appointment that the arbitrator is an employee of the Board or the Government, that he had to deal with the matter to which the contract relates and that in course of his duties as an employee of the Board or the Government, he had expressed views on all or any of the matters in dispute or of different.

The arbitrator, who has been dealing with the arbitration case, being transferred or vacating his office or in the event of his death or being unable to act for any reason, the Chairman then holding the office shall arbitrate himself or appoint any officer to act as arbitrator.

(iii) It is also a term of the contract that no person other than the Chairman himself or any officer appointed by him shall act as arbitrator.

(iv) It is a term of the contract that only such question and disputes as were raised during progress of work till its completion and not thereafter shall be referred to arbitration. However, this would not apply to the questions and disputes relating to liabilities of parties during the guarantee period after completion of the work.

(v) It is a term of the contract that the party invoking arbitration shall give a list of disputes with amounts of claim in respect of each said disputes along with the notice seeking appointment of arbitrator.

(vi) It is also a term of the contract that if the contractor does not make any demand for appointment of arbitrator in respect of any claims/disputes in writing, as aforesaid, within 120 days of receiving the intimation from the Engineer-in-Charge that the final bill is ready for payment, the claim of the contractor shall be deemed to have been waived and absolutely barred and the PORT AUTHORITY shall be discharged and released of all liabilities under the contract in respect of these claims.

(vii) It is also a term of the contract that the arbitrator shall adjudicate only such disputes/claims as referred to him by the appointing authority and give separate award against each dispute/claim referred to him. The arbitrator will be bound to give claim wise detail and speaking award and it should be supported by reasoning.

(viii) The award of the arbitrator shall be final, conclusive and binding on all the parties to the contract.

(ix) The arbitrator from time to time, with the consent of both the parties, enlarge the time for making and publishing the award.

(x) Arbitration shall be conducted in accordance with the provision of Indian Arbitration Act, 1996 or any statutory modifications or re-enactment thereof and rules made there under and for the time being in force shall apply to the arbitration proceedings under this clause.

(xi) It is also a term of the contract that if any fees are payable to the arbitrator, this shall be paid equally by both the parties.

(xii) It is also a term of the contract that the arbitration shall be deemed to have been entered on the reference on the date he issued the first notice to both the parties calling them to submit their statement of claims and counter statement of claims.

(xiii) Venue of the arbitration shall be such place as may be fixed by the arbitrator at his sole discretion”.

37. If the contractor suffers any delay the Engineer-in-Charge may grant at his discretion an extension of time for completion of work. However, no claims/disputes etc. arising out of extension of time so granted shall be entertained.

The contractor while filling up their rates in the tender should consider the above aspects.

38. The work shall be done strictly in accordance with specification laid down in latest IS codes in practice for different building trades, in addition to the specifications given in Bill of quantities of the tender, approved plan and the instructions issued by the Engineer-in-charge from time to time.
39. Tenders with any conditions or inscriptions in schedule "B" or other enclosures are liable to be summarily rejected.
40. Tenders without earnest money will not be considered.
41. The stamp paper of requisite value shall be furnished by the contractor within 10 days from the date of issue of letter of acceptance, failing which he will not be permitted to start the work.
42. For the purpose of measurement, the method prescribed in the Indian standard method of measurement of the building works shall be applicable unless stated otherwise in this contract. In the case of any ambiguity the decision of Engineer in charge shall be final and binding.
43. Income tax at applicable rate and surcharge as applicable on the payment to contractor will be deducted from the payment and only net amount shall be paid for as directed by the Central Board of Direct Taxes, Ministry of Finance, Government of India.
44. The rates quoted by the tenderer shall hold good for 120 days from the date of opening of tender.
45. The Contractor shall be required to execute the work in such a way as not cause any damage, hindrance or interference in the activity and the work going on in the area. He shall not deposit the materials at such places, which may cause inconvenience to the public. Any damages shall be repaired by him at his own cost. If he does not repair the damages in reasonable time period, the same will be repaired by Deendayal Port Authority at the sole risk and cost of contractor and amount will be recovered from the bill due.
46. All the works comprised in contract until handed over to the Engineer in charge shall stand at the risk of contractor who shall be responsible to make good at his own cost all losses and damages caused due to fire weather or any other reasons and causes etc. At the time of completion of work, all the works in good condition and order shall be handed over.
47. The notes and date furnished in DEENDAYAL PORT AUTHORITY schedule of rates enforce will be considered for measurement purpose in the case of various materials as regards to lead, weight of materials and allowances for voids covering capacity etc. for materials.
48. The contractor has to dump the excavated stuff away from the edge of trenches or as directed by the Engineer in charge. Also, during excavation if requires dewatering, the same may be carried out by the contractor at his own cost.
49. All the materials required for any work shall have to be got approved by Engineer-in-charge before putting them into use or stacking at the site of work
50. The sand is to be brought from approved quarry.
51. The work carried out is to be upto 10.00-12.00 meters' height of building, Contractor has to keep this aspect in mind at time of quoting the rates.
52. Tenders containing conditions for lowering or raising the quoted rates shall summarily be rejected.
53. During the execution of work, the contractor shall employ only such persons who are careful, skilled and experienced in their service trades. The Engineer in charge shall be at liberty to object and ask the contractor to remove, from the work any person employed by the contractor in execution of work if in the opinion of Engineer in charge, misconduct or he is negligent, in the proper performance of his duties and such person shall not be again employed in the work without the permission of Engineer in charge.
54. All the precautions regarding the safety of the workmen shall have to be taken by the Contractor at his own cost and the instructions of Engineer-in-charge in this respect shall have to be followed strictly.
55. The Engineer-in-charge may delete any number of items included in this contract without assigning any reasons and no disputes/claims on this account shall be entertained.
56. Nothing extra shall be paid for the change of quarry for any quarried material, against lead etc.

57. Work shall be carried out in accordance with best standard of workmanship and to the entire satisfaction of Engineer-in-charge.
58. The contractor shall be in accordance with requirement of the Engineer-in-charge, afford all reasonable facilities to any other contractor employed by DEENDAYAL PORT AUTHORITY board and their workmen for work not included in the contract, which the Board may enter at any time. No dispute on any account shall be entertained.
59. The tender documents submitted by the contractor and correspondence exchanged between him and DEENDAYAL PORT AUTHORITY Authorities prior to acceptance of the tender and thereafter shall form part of agreement even though formal agreement duly signed is not executed.
60. The contractor has to make his own arrangement to use the potable water for construction purpose.
61. Sand for plastering / pointing shall conform to IS 1142. Sand shall be hard, durable, clean and free from adherent coatings and organic matter and shall not contain any appreciable amount of silt, clay balls or pellets. Sand shall not contain harmful impurities such as iron pyrites, coal particles, lignite, mica shale etc.
62. The detailed drawings, layout plans and other particulars etc. can be seen in the office of the Executive Engineer (C) during working hours only.
63. The contractor has to clean floors, glass panes etc. at his own cost immediately after carrying out the work and to the entire satisfaction of the Engineer in charge. If any damage is found due to fault of contractor or his labour during the work inside the building the cost of damage will be recovered from the contractor.
64. Synthetic Enamel paint of approved colour and shade shall be of Asian Paints, IEL Ltd., Berger Paint, Nerolac or as approved by Engineer in charge.
65. Exterior paint of approved colour and shade shall be of "Sandtex Matt" of Snowcem India Ltd. Or as approved by Engineer-in- charge.
66. The rates and data furnished in the Deendayal Port Authority, Schedule of Rates Tables applicable to the relevant year in which the tender is accepted shall be considered for calculation purpose in the case various materials as regards: Lead between two places.
67. Deleted.
68. All the tools/tackles and ladders for executing the work shall have to be arranged by the Contractor and arrangement for storing of such tools/tackles or any material shall have to be made by the contractor at his own cost.
69. The contractor has to provide sufficient barricades to site of work. In case of any damage on account of above, the entire responsibility will remain with contractor and nothing extra will be paid on this account.
70. Force Majeure: -This will be restricted to act of God only.
71. **Deleted**
72. The tenderers will not have any right to claim for employment in the department, in future on the basis of approved tender. The contractor shall employ no one connected with or in the employment of DPA as a partner or employ to execute this contract work.
73. The Contractor shall deploy one qualified Engineer (minimum qualification Civil Diploma) having knowledge of buildings works for carrying out day to day supervision of works as per the instructions of Engineer-in-charge or its representative.
74. During the execution of job, contractor or his representative shall be available during working hours for any instructions from the representative of the Engineer-in-charge. As part of execution of award job, the contract shall make appropriate arrangement for transportation of required materials / other resources from one location to other location at his cost.
75. It shall be expected that for want of sufficient resources, including required type of equipments / consumable, or supervision the quality of jobs must not be adversely affected otherwise it will attract heavy penalty for full job on the contractor, minimum amount of total qty. quoted by the contractor for each item.
76. The portion of the work may be got delayed or may be left incomplete due to protest of public or due to any other reason. No claim on this account shall be entertained.

77. The Engineer-in-charge or his representative shall at any times have access to works site and to all workshops and place where items relating to the works are being prepared or manufactured.
78. The contractor shall in accordance with requirements of Engineer-in-charge, afford all reasonable facilities to any other contractor employed by Deendayal Port Authority Board and their workmen for work not included in this contract, which the board may enter into at any time. No disputes on this account shall be entertained.
79. Deleted
80. The contractor shall procure 53 grade Ordinary Portland Cement (conforming to IS : 8112), as required in the work, from reputed manufacturers of cement such as ACC, Ultratech, Ambuja, Jaypee Cement, and or from any other reputed cement manufacturer, as approved by Engineer In Charge.
81. Samples of cement arranged by the contractor shall be taken by the Engineer- in-Charge and got tested in accordance with provisions of relevant WAP/INFRA/KERALA/VSKB/23/398-3 BIS codes. In case the test results indicate that the cement arranged by the contractor does not conform to the relevant BIS codes, the same shall stand rejected and it shall be removed from the site by the contractor at his own cost within 7 days of written order from the Engineer-in-Charge to do so.
82. The contractor shall procure reinforcement steel from reputed manufacturers such as TATA, SAIL, VIZAG, RINL etc., as approved by Engineer In Charge. However, in case of non-availability of the above manufacturer the same may be procure from other manufacturer as approved by Engineer in Charge.
83. Mild steel shall be confirming to as per IS 432 and shall have to be got approved by Engineer-in-charge.
84. All building material items shall be confirming as per relevant IS code.
85. Structural steel shall be conforming to relevant IS code.
86. All rules and regulations governing DEENDAYAL PORT AUTHORITY shall be applicable.
87. The contractor has to comply all the complaints (if any) regarding their work at the time.
88. Deleted.
89. All tools plants and sundries etc. as required are to be brought by the contractor for carrying out the work to the complete satisfaction of the Engineer-in-charge without any extra cost.
90. All the materials required for any work shall have to be got approved by Engineer-in-charge before putting them into use or stacking at the site of work.
91. The tender should submit firm offer without any price variation and no escalation will be considered.
92. The tenders are not expected to make any post-tender modifications. Hence the tenders should not make any correspondence regarding the tenders after submission of the same on due date and time. No cognizance of any correspondence shall be taken and if any tenderer persists with the same, necessary action will be initiated against them. All the tenders received on or before the due date & time shall be opened. If otherwise found in order.
93. The Engineer in charge reserves the right to make necessary changes in the Quantity and no claims what-so-ever on account of changes in diameter of bars will be entertained.
94. All the royalties of materials, quarry fees, octroi wharf age charge are payable by the contractor directly to the authorities concerned and the rates quoted shall be deemed to be inclusive of all such charges. Before claiming refund of Security Deposit, the contractor shall produce 'No due certificate' from the Geologist, Geology and mining department Bhuj.
95. The tender is liable to be cancelled in case the tenderer himself or any of his employee is found to be an Engineer of gazetted rank or a Government officer employed in an Engineering Department of Government of India or Port Authority within two years of his retirement and does not possess the permission from Government of India for working as a contractor or his employee.
96. Barricading, including proper lighting arrangement in the night at the required places shall have to be provided by the contractor at his own cost, including necessary arrangements for proper movement of traffic with suitable sign boards etc. as directed by the Engineer-in-Charge.
97. In the event of any reduction in the quantities to be supply for any reason whatsoever, the contractor shall not be entitled for any compensation but shall be paid only for the actual quantity of work done, as per tender.

98. The bidders have to take latest minimum wages declared by the Central Government as the minimum bench mark for quoting the rates for manpower deployment. Bids lesser than minimum wages/statutory obligations will be summarily rejected.
99. The Income Tax, PAN and GST registration No may be furnished with documentary evidence along with the Tender Documents.
100. The bank Guarantee submitted in lieu of security deposit must be from any Nationalized/Scheduled Banks (except Co-operative banks) having its branch at Gandhidham. (Performa enclosed). The Bank guarantee is to be sent directly to DPA by issuing Bank through registration post (AD).
101. The Bidder shall give an undertaking that they have not made any payment or illegal gratification to any person authority connected with the bid process so as to influence the bid process and have not committed any offence under the P.C Act in connection with the bid.
102. Sub contract is not allowed.

103. **SPECIAL CONDITION IN RESPECT OF CEMENT**

- i. The contractor shall procure the cement after start of work, confirming to relevant Indian Standard from reputed manufactures holding license to use ISI Certification mark for their product.
- ii. For verification of such purchase all the original bills of manufacturer / supplier / dealer will have to be furnished to the Engineer-in-charge.
- iii. Supply of cement shall be taken in 50 Kg bags bearing manufacture's name, him registered trade mark, date of manufacture, batch number and ISI marking.
- iv. Every consignment of cement must have identification marks on packages indicating date of manufacture and grade and type of cement, cement brought to works shall not be more than 6 weeks old from the date of manufacture.
- v. Every delivery of cement shall be accompanied by a manufacturers test certificate confirming that the supplied cement conforms to relevant specifications.
- vi. Engineer-in-charge shall be at his liberty to carry out testing of cement at his discretion from Port laboratory as per I.S. 269-1989 before / during use. The contractor shall make all the necessary arrangements for same all.
- vii. Each consignment shall be stored separately so that it can be readily identified and inspected. The arrangement of cement shall be such as to ensure the utilization of cement in the order of its arrival at the stores.
- viii. Cement brought to site and cement remaining unused shall not be removed from site without the permission of the Engineer-in-charge.

104. **SPECIAL CONDITION IN RESPECT OF STEEL REINFORCEMENT**

- i. The contractor shall procure the steel reinforcement after start of work confirming relevant Indian standard of various diameters of manufactures holding license to use ISI Certification for their product from manufacturer/supplier/dealer. In any circumstances, steel reinforcement produced by re-rolling mills shall not be allowed to use in the work.
- ii. Every delivery of Steel reinforcement shall be accompanied by a manufacturer's test certificate conforming that the supplied Steel reinforcement conforms to relevant specifications.
- iii. For verifications of such purchase all the original bills of manufacturer / supplier/dealer will have to be furnished to the Engineer in-charge.
- iv. The contractor shall have to procure the steel reinforcement of various sizes/diameters as per the working drawings, which shall be supplied only during execution of the work. No claims/disputes arising about details of steel reinforcement so provided shall be

entertained. In case, if particular size(s) of steel reinforcement is not available with the approved manufacturers, the contractors shall have to intimate the Engineer-in-charge in writing along with documentary proof in this regard. Engineer-in-charge, at his discretion, may allow using alternate diameter of reinforcement bars provided that no claims/disputes arising out in respect of payment for difference in rate of steel shall be entertained.

- v. Engineer-in-Charge shall be at liberty to carry out independent testing of steel reinforcement at his discretion from any of Government Approved laboratory as per relevant I.S. specifications before use. The contractor shall make all the necessary arrangements for same and all the charges to be borne by the contractor.
- vi. Steel reinforcement which remaining unused shall not be removed from site without the permission of the Engineer – in – Charge.
- vii. Payment for steel reinforcement shall be made on the basis of lengths of bars actually placed & measured in the work multiplied by the standard weight per unit length as given in the relevant IS code. The rates shall include for cutting & wastage, straightening, short & long length, & weight tolerance as per relevant IS codes & placing in position. Authorized laps, chair /separators, lifting hooks stiffening ring shall be measured and paid.
- viii. The Engineer-in-charge reserves the right to make necessary changes in the diameter of bars provided in the drawings and no claims what-so-ever on account of change in diameter of bars will be entertained.

105. CEMENT CONCRETE (PLAIN AND REINFORCED) AND MISCELLANEOUS FIXTURES SCOPE.

The specification covers all the requirements, described hereinafter for general use of plain and reinforced cement concrete work in structure and location, cast-in-situ of pre-cast and shall include all incidental items of work not shown or specified by reasonably implied or necessary for the completion of the work.

This specification shall also to the extent it has been referred to or applicable with the special requirements of structures covered in scope of IS 456-2000 . 35 IS 456 shall form a part of these specification and shall be complied with unless permitted otherwise. For any particular aspect not covered by this code appropriate IS Code specification and / or replacement by any International Code of practice as may be specified by the Nodal Officer shall be followed. All codes and standards shall conform to its latest versions.

The maximum slump for the different structural members is as per relevant IS.

The cubes casted at site shall be tested at Port Laboratory or Government approved laboratory and test results all conform to IS 456: 2000 (latest edition). if the result is not satisfactory the concrete work will have to be dismantled and redone by the contractor at his own cost. For casting of c.c cubes either the contractor has to arrange his own steel moulds or he can get from Port laboratory o depositing the prescribed deposit of Rs. 400/- for each mould (refundable). No hire charge will be charged for steel moulds from the party for the actual period of concreting for CC works. The moulds taken from DEENDAYAL PORT AUTHORITY Laboratory will have to be properly maintained at site without causing any damages. The moulds shall be returned to the laboratory in good condition within 7 days of last concreting work. For late return of the cube moulds Re.1/- per each mould per day will be charged. If moulds are not returned in good condition, defects noticed will be rectified at the cost of the contractor and amount will be deducted from the deposit. If the moulds are returned in unserviceable condition beyond any repairs, the cost of moulds will be adjusted against the deposit given by the contractor. The laboratory charges for conduction mix design shall not be recoverable from the contractor.

Test cubes shall be casted, cured and stored as per relevant IS. The cubes casted at site shall be brought to Port Laboratory, Kandla for testing and test results shall conform to IS 456 (latest

edition). Testing charges of the cubes for 28 days test only shall be borne by the contractor. If the result is not satisfactory the concrete work will have to be dismantled and redone by the contractor at his own cost.

The Engineer-in-charge reserves the right to ask contractor to cast additional c.c. cubes at the different stages and works for testing, if required at 3/7 days period. No separate payment shall be made to the contractor on account of the cost of the labour and materials required for casting of the cubes required for 3/7 days testing.

The testing charges for these cubes shall be borne by Department The contractor shall arrange to supply periodically samples of coarse aggregates, fine aggregate for PCC and RCC etc. to the Port Laboratory for testing as per relevant I.S. specifications. However, all the materials shall be arranged by the contractor free of cost for testing However, no testing charges will be recovered from the contractor for testing of materials in Port Laboratory.

For execution of CC items the contractor shall arrange to supply samples of coarse and fine aggregates to the port laboratory Kandla for testing and test result shall confirm to relevant IS codes.

106. The contractor shall be registered under the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.
107. Deleted.
108. Mixing of C C 1:2:4 cement concrete to be used for CC works shall be through weight batches as approved mix design. Laboratory test of construction materials according to the standard practice approved by the Engineer in charge shall be conducted by the contractor at Port Laboratory wherever necessary and test result submitted to the Engineer in charge. The minimum compressive strength of 15cm cube at 28 days work test shall be 150 kg / cm² as specified in IS 456 failing which the concrete work will have to be dismantled and redone by the contractor at his own cost. The charges for testing cement concrete cube at 28 days only will be borne by the contractor. The charges for testing various aggregates including mix design shall be borne by the Port Authority.
109. The steel or ply wood form work shall be required to be kept in position till the concrete has reached the minimum required crushing strength or as per the directions of the Engineer in charge for which no dispute / claims shall be entertained.
110. The work shall be done strictly in accordance with specifications laid down in Indian Standard Code of Practice for different building trades of latest edition, in addition to the specifications given in Schedule B, approved plans and instructions issued by Engineer-in-charge from time to time
111. Deleted
112. Deleted
113. All the material supply be as when required in various size & shapes, required Quantity as per site requirement and instruction of Engineer-in-charge.
114. Deleted
115. The contractor shall ensure that all his workmen wear PPE (Personal Protective Equipment's) commensurate with the severity of work.
116. The Administration shall also have the right to terminate the contract in case of default by contractor.
117. It should be clearly understood that the tendered rates include wastage and wash away due to rains, storms, floods or any other cause whatsoever.
118. The defect liability period for the subject work is of 12 months from the date of completion of work as certified by Engineer-in-charge or nodal person appointed by EIC.
