No. HM/AC/POS-Circular/2024/270

Dated: 4.07.2024.

**TRADE CIRCULAR**

This is to inform all concerned stakeholders that Deendayal Port Authority has implemented an ERP solution to streamline its business operations. As part of this modernization initiative, a comprehensive port operating system has been developed, which has gone live on 1<sup>st</sup> July 2024. The new port operating system, seamlessly integrated with the NLP (Marine) platform, is designed to facilitate seamless documentation and management of all services related to traffic and marine operations, including the associated payments.

It is for the information of the esteemed trade that payment processes of DPA are streamlined with implementation of the said ERP solution and as a part of it, the vessel agent who has registered the vessel will only be allowed to make payment.

This is issued with the approval of Deputy Conservator.
