Sir,

Kindly refer above-cited references for the said subject.

In this connection, it is to state that the Gujarat Coastal Zone Management Authority, vide the above-referred letter dated 24/05/2012, had recommended Deendayal Port Authority the subject project.

Subsequently, the MoEF&CC, GoI, had accorded the Environmental & CRZ Clearance vide letter dated 11/12/2013 for the subject project. Subsequently, MoEF&CC extended the validity of the Environmental Clearance till 10/12/2023.

Now, as directed under Specific Condition No. 26 mentioned in the CRZ Clearance letter dated 25/05/2012, i.e. **A six-monthly report on compliance of the conditions mentioned in this letter shall have to be furnished by the DPT on a regular basis to this Department and MoEF&CC, GoI**, please find enclosed herewith point-wise compliances of the conditions stipulated in CRZ recommendations issued by GCZMA vide letter dated 24/05/2012 along with necessary annexures (**Annexure 1**) for the period up to May, 2024 for kind information & record please.

Further, as per the MoEF&CC, Notification S.O.5845 (E) dated 26.11.2018, in which it is mentioned that, **"In the said notification, in paragraph 10, in sub-paragraph (ii), for the words "hard and soft copies" the words "soft copy" shall be substituted"**. Accordingly, we are submitting herewith a soft copy of the same via e-mail in ID gczma_crz@gmail.com & direnv@gujarat.gov.in.

This has the approval of Chief Engineer, Deendayal Port Authority.

Yours faithfully,

Dy. Chief Engineer & EMC (I/c)
Deendayal Port Authority

ANNEXURE- 2

Progress Report

On

Greenbelt Development in Deendayal Port Authority and its surrounding areas (Phase-II) Kandla Port

Submitted to

Deendayal Port Authority
Administrative Office Building
Post Box No.50, Gandhidham (Kachchh)
Gujarat-370201

Prepared by

Gujarat Institute of Desert Ecology
Mundra Road, Bhuj-370 001, Kachchh, Gujarat
E-mail: desert_ecology@yahoo.com
www.gujaratdesertecology.com

Progress Report

Greenbelt Development in Deendayal Port Authority and its surrounding areas (Phase-II) Kandla Port

The meeting was held with Chairman, Deendayal Port Authority on 22nd September 2023 at CEE to finalise the plantation site in and around Deendayal Port Authority at Kandla (Phase-II). The site at RoB and another site opposite to 15-16th Birth along the wall on the peripheral boundary of two sites have been selected for phase-II plantation which has been suggested in the meeting and visited by GUIDE team along with DPA officials.

Based on the observation of the project site and its landscape, environment and ecology of the area, suitable plant species for such area was worked out in order to improve the local environment and for the Greenbelt development at the port area.

Discussion with the Officials of Electricity for the Clearance of the Site

Scope of Works:

- 1) To make an inventory of suitable sites for greenbelt development in and around the Deendayal Port at Kandla.
- 2) To carryout Soil and Moisture Conservation (SMC) of the selected sites.
- 3) Identification of suitable species of plants as per site scenario for the greenbelt plantation.
- 4) Adopting plantation technique and soil/manure amendments.
- 5) Regular monitoring (survival and growth) of the plantation.
- 6) Suggest measures for management and improvement of the greenbelt.

Digging Out the Trench Through JCB

Methodology for Greenbelt Development:

Following steps have been suggested for greenbelt development:

- ❖ Landscaping of the area and land preparation.
- ❖ Soil and moisture conservation work.
- ❖ Identification of suitable species of plants for plantation in different zones of greenbelt as per the site suitability.
- ❖ Procurement of sapling of identified species from nursery or seeding of tree Species.
- ❖ Installation of irrigation facilities, preferably through tanker.
- ❖ Use of manure, preferably organic fertilizer for enhancing soil fertility.
- ❖ Weed management, if any.
- ❖ Regular monitoring and management

The clearance from different department such as Electricity, CCTV, etc. have been obtained. Pits of 45 cm x 45 cm and 45 cm depth have been dug for tree plantation. Pits have been deep enough to ensure that the roots of the plants do not curl up once the planting material is placed in it. A fertile soil has been added at both the selected sites for better survival of plants. The Rob site is highly saline soil with saline water storage nearby the site. Organic manure has also been given for better growth and survival.

The plantation has been carried at two sites;

- Around 4500 saplings have been planted at the available plantation area at RoB site.
- Around 4000 saplings have been planted during the second site at available plantation area at opposite 15-16th Birth along the wall.

Plantation at RoB Site, Near Overbridge

The remaining 2500 saplings have been planted at opposite 15-16th Birth along the wall. Thus, a total of 11000 plantations have been completed. Regular monitoring and watering have been carried out as per the watering schedule. The assessment on survival of the plants will be carried out during the 2nd week of June 2024 and based on the survival, necessary gap filling will be carried out during the 3rd week of June 2024.

Future Course of Actions

- ❖ Monitoring of plantations and watering schedules.
- ❖ Assessment of survival, and follow-up remedial measures and gap filling, if any?
- ❖ The activities are in progress.

Plantation at RoB, Near Overbridge

Plantation at Opposite 15th & 16th Berth Along the Wall

ANNEXURE- 3

CSR Works for the year 2018-19

<u>Sr. No</u>	<u>Activity/Work</u>	<u>Approved Cost (In lakhs)</u>
1.	CSR work to Donate 100 Nos of Computers to Daughters of Martyred Soldiers in the country under the "BETI BACHAO BETI PADHAO" program by Atharva Foundation, Mumbai	24.00
