Chief Medical Officer  
Deendayal Port Authority

**Note:-** Please sign and seal on the prescribed Terms & Conditions and send to this office along-with the quotation.

### SPECIAL TERMS AND CONDITIONS

(Please read all the documents, terms and conditions carefully before submitting quotation. Sign all the documents before sending quotation. In absence of necessary documents and unsigned documents quotation will not be considered which may please be noted)

1. The work is to be carried out for period from 01-04-2025 to 31-03-2026, subject to obtaining authorization from GPCB from time to time.
2. The details of waste received and treated in the Incinerator shall be maintained in the record book.
3. The incinerator should only be operated by a skilled and qualified person. The person should be least matriculate with preferable diploma from NIT in the relevant field. The incinerator manufacturers shall also impart necessary training in this regard to the operators.
4. The transportation vehicle for carrying the waste to the facility shall be specially designed with approval from the Bureau of Indian standards. The vehicle shall also be properly labeled with the related symbols.
5. Ensure that needles/syringes destroy in the ward or at the working desk. Otherwise they should be collected in puncture proof sturdy containers for treatment at the Central facility Hospital or at a common facility away from the Hospital.
6. The Return to be filled for GPCB by DPA for each hospital biannually as per Rules, shall be prepared and submitted to Chief Medical Officer, DPA in time.
7. The shortfalls/Memos served by GPCB regarding Returns & disposal of BMW will have to be attended by you promptly.
8. The CBWTF shall comply with the emission and effluent standards as per Schedule-V of the BMW rules. Also you are requested to follow the guidelines issued by Central Pollution Control Board.
9. The segregation and treatment of the BMW as per the Bio-medical Waste management & handling) Amendment Rules, 2003.
10. The health care facilities shall maintain category wise details BMW generated. This is very much necessary in order to prevent the pilferage of disposal at the point of waste generated itself.
11. It should be noted that the scavenger shall be prevented from sorting the non-disinfected wastes.
12. The contractor will operate the facility for collection, reception, storage, treatment, transport and disposal of Bio-Medical Wastes in the premise suitable at village Ratai, Bhuj-Kutch.
13. Quotation should be clear and legible. No correction, over-typing or over-writing shall be permitted in the price bid.
14. Quotationer who submit their offers shall be deemed to have read, understood, and accepted the terms & conditions of the quotation.
